The international relation office of your university must check the level of French required in the agreement between your institution and ours. They are not required to provide a certificate of French language. However, they must take an online test (duration 15 minutes) when you apply on the Moveon platform. We strongly advise them to answer the test honestly (don't cheat or ask someone else to do it for them). This will allow them to know your real level of French and will allow us to direct you to free evening French classes (4 hours per week).	2022-2027

C1; Students who are not nationals of a majority English-speaking country must provide evidence that they have the required level of English to study at Exeter. We can confirm that, unless a student is required to or chooses to apply for the Student Visa (previously known as Tier 4), we can accept confirmation from our partners that their nominated student/s has the required level of English. We do not need to see official qualifications such as IELTS. To this end, we have drafted an English language proficiency form for partners to complete and for students to submit with their application.
